11 EXOTICS RACING, a Nevada limited  
liability company, et al.,  
12 Defendants.

ORDER

13 This case comes before this Court through Defendants American Transport, Inc.,  
14 Randy Allen Romo and Force Transport, LLC's Petition for Removal. (Dkt. no. 5.)  
15 Plaintiff Jeffrey Theo Kling filed this action in the Second Judicial District Court in  
16 Washoe County, Nevada, after an alleged collision with a truck being operated by Romo,  
17 an employee of American Transport, Inc. Plaintiff asserts claims of negligence.

18 On February 11, 2014, the Court ordered Defendants to show cause as to why  
19 this case should not be remanded for lack of subject matter jurisdiction. (Dkt. no. 21.)  
20 Defendants responded on February 26, 2014. (Dkt. no. 22.) In their response,  
21 Defendants met their burden to demonstrate that the amount-in-controversy exceeds  
22 \$75,000. Plaintiff seeks medical expenses, and Defendants provide a copy of Plaintiff's  
23 medical bills totaling \$92,371.85. (See dkt. no. 22-1.) Accordingly, the Court is now  
24 assured of its jurisdiction to preside over this case.

25 DATED THIS 28th day of February 2014.
